## EXPERIENCE

**Kyndryl** – Hybrid / Indianapolis, IN

June 2025 – August 2025

*Technical Specialist – Business Architecture Operations*

- Facilitated an enterprise-level strategic rollout of an internal tool that provides a single pane of glass overview of various systems by obtaining a holistic overview of the business, leading to a 35% increase in process efficiency
- Collaborated with architects, data scientists, engineers, and CTO teams to standardize governance processes and create reusable industry-leading technical assets to reduce turnaround times and costs
- Built a low to no-code data interface using Power Apps and Dataverse to simplify business process execution, to enable real-time analysis for end users, to enable customer leads, and optimize business processes
- Integrated Power BI dashboards into chatbot workflows by providing actionable insights that empower customers to make faster, data-driven business decisions

**Kelley School of Business**– Bloomington, IN

December 2022 – January 2024

*Teaching Assistant – Computers In Business*

- Taught technology education in a 15-week Excel and data systems course by mentoring 40+ students to build foundational technology skills and the business impact whilst hosting office hours to enable learning
- Delivered hands-on training in SQL and MS Access to guide students in designing queries and managing relational databases through practical exercises and exams

## LEADERSHIP

**Alpha Kappa Psi Professional Business Fraternity**

August 2022 – Present

*Warden*

- Upheld chapter policies and tracked member attendance to ensure accountability and execution of weekly meetings

*Pledge Class Chaplain*

- Motivated pledge class members by organizing 10+ integration events and partnering with 11 other elected officers to foster morale during a 9-week program of social and professional development

*Membership Associate*

- Worked with a pledge class of 30+ members to organize professional workshops, raise \$6000+, coordinate 15+ team building activities, and support philanthropic events for local Bloomington organizations

**Academic Fairness Committee (AFC), Kelley School of Business**

April 2024 – May 2025

*Committee Member*

- Advised students navigating the grade appeal process with faculty and other student representatives by outlining procedures, deadlines, and documentation requirements to ensure compliance with school policies
